

VINYL ROLLER SHADE WARRANTY USE & CARE

WARRANTY DETAILS

Vinyl windows or panels are covered under warranty for five (5) years.

The life expectancy of vinyl is 5 years. The change in seasons will expand and contract vinyl. Some yellowing may occur but will be minimized with proper cleaning and maintenance.

You must properly clean and maintain your vinyl product to be covered under warranty.

We recommend Plexus® Wax to be used as needed to keep your vinyl clean and protected.

Please refer to our Roller Shade Warranty for complete warranty details.
